

MAY 17

Apostle Andronicus of the 70 and Junia with him

TROPARION - Tone 3

O holy Apostle Andronicus, /
Intercede with our merciful God, /
That He may grant to our souls ///
The remission of our sins.

KONTAKION - Tone 3

Let us praise Andronicus, the apostle of Christ /
As a radiant star who illumined the nations /
With the light of the knowledge of God /
And together with him let us praise Junia the wise /
Who shone forth with righteousness. /
And to them let us cry aloud: ///
Ceaselessly pray Christ God on behalf of us all.
