St. Martin the Confessor, Pope of Rome

TROPARION - Tone 3 *(None given in the Slav Menaion)*

The Church was strengthened by thy true doctrines, /
O holy hierarch father Martin, /
For thou didst confess the two natures of Christ /
And thou didst vanquish heresy, O ven'erable father. ///
Now, entreat Christ God that He may grant our souls great
mercy.

KONTAKION - Tone 8 *(From the Greek Menaion)*

As a hierarch and teacher of ineffable things, /
Thou didst pour forth streams of divine doctrines, O holy
hierarch. /
Thou didst expound the true theology that in Christ there
are two natures and two wills. /
Therefore, intercede for those who cry to thee: Rejoice, O
blessèd father Martin, most wise.
