

JULY 23 Holy Martyrs Trophimus, Theophilus and the 13 Martyrs
with them; the Miraculous Appearance of the Pochaev
Icon of the Mother of God.

TROPARION (*Martyrs*) - TONE 4

Thy holy martyrs, Trophimus and Theophilus, O Lord, /
Through their sufferings received their incorruptible crowns
from Thee, our God /
For having Thy strength they laid low their enemies /
And shattered the powerless boldness of demons ///
Through their intercessions, O Christ God, save our souls.

TROPARION (*Pochaev Icon*) - TONE 4

We come as humble sinners before the Theotokos, /
Falling down before her wondrous Image from the mount of
Pochaev. /
With humility we fervently pray from the depths of our soul, /
And we cry out to our Lady and Queen: /
O most wondrous Virgin, Mother of our Lord on high, /
Who, from ancient times hast taken the Monastery of Pochaev as
thy habitation, /
Confirm this land in Orthodoxy and keep her in peace /
And save us all who pray before this, thy most pure Image, ///
Turn not away from us, thy servants, whose only hope is in
thee.

KONTAKION (*Pochaev Icon*) - TONE 8

O chosen leader, who hath chosen the mount of Pochaev as her
habitation, /

We thy servants sing these hymns of praise to thee, O

Theotokos: /

As thou hast glorified thy monastery through the thy healing
footprint and the presence of thy wonderworking Image, /

And as once thou didst save it from the invasion of the

Hagarites, /

Deliver us now from every sorrow and affliction through thy

holy intercessions, as we cry aloud to thee: ///

Rejoice, O Praise of Pochaev, our hope and consolation!
