Ven Martinian

TROPARION - Tone 8

O blessèd Martinian, thou didst drown the flames of passion with
the streams of thy tears; /
Thou didst calm the waves of the sea and didst stop the assault of
wild beasts /
Saying: Glorified art Thou, O Almighty God, ///
Who hast saved me from both fire and storm.

KONDAKION - Tone 2

Let us praise with hymns the ever-blessèd Martinian /
Who trampled on the serpent; /
The faithful and steadfast ascetic, /
The earnest defender of the truth, ///
And the courageous dweller in the desert.
