

Nov 15 Martyrs and Confesors, Gurias, Samónas, and Abíbas

TROPARION - Tone 5

Having granted to us the miracles of Thy holy martyrs /
Thou hast provided us with an invincible rampart, O Christ God. /
By their prayers, confound the plots of the faithless /
And strengthen the Orthodox Faith ///
Since Thou art good and lovest mankind.

KONTAKION - Tone 2:

Having received a special grace from above, O wise ones, /
You became the protectors of those in danger, /
O Gurias, Samonas and Abíbas, worthy of all praise. /
You saved a young maiden from a bitter death. ///
You are truly the glory of Edessa and the joy of all the world.
