

JAN 31 HOLY WONDERWORKING AND UNMERCENATY PHYSICIANS CYRUS AND JOHN

TROPARION - Tone 5

Thou hast granted to us /
The miracles of Thy holy martyrs, /
As our invincible fortress, O Christ God. /
By their prayers destroy the counsels of the enemy, /
And give strength to the Orthodox faith ///
For Thou alone art gracious and lovest mankind.

KONDAKION - Tone 3 (*Melody: Today the Virgin gives birth...*)

You have received from divine grace the gift of
miracles, O holy ones. /
Cease not to shower your wonders upon us! /
Remove from us our passions through your invisible surgery, /
For you are truly divine physicians ///
O divinely-wise Cyril and glorious John!
