

MAY 14

St. Isidore of Chios

TROPARION - Tone 4

Thy holy martyr Isidore, O Lord, /
Through his sufferings received his incorruptible crown from
Thee, our God /
For having Thy strength he laid low his enemies /
And shattered the powerless boldness of demons. ///
Through his intercession, O Christ God, save our souls.

KONTAKION - Tone 4

Thou wast revealed to the universe, /
As a truly great example to all, O glorious one. ///
Therefore, we sing thy praises, O divinely-wise martyr
Isidore.
