Venerable Father Alypius the Stylite.

Troparion - Tone 1:

Thou wast a pillar of patient endurance /
Emulating the forefathers, O ven'rable one, /
Job in suffering and Joseph in temptations. /
And thou didst live on earth as a bodiless angel, O our
father Alypius. ///

Therefore, pray Christ God that our souls may be saved.

Kontakion, in Tone 8:

Today the Church hymns and glorifies thee, O father Alypius, /
As a boast of monastics and perfect exemplar of the virtues. /
And in accordance with thy given name, thy supplications grant the
remission of sins ///

To all who lovingly honor thy struggles and thy great deeds.
