St. John Maximovich of Shanghai and San Francisco

TROPARION - Tone 5

The love with which thou didst care for thy flock /
Prefigured thy supplications which thou dost ceaselessly
offer on behalf of all the world, /
O holy hierarch and wonderworker John. /
Thou wast wholly sanctified by the celebrations of the holy
Mysteries, /
Which strengthened thee as thou didst hasten to thy sufferings. /
Hasten now to help us, O joyful healer and wonderworker John, ///
As we lovingly honor thy precious and holy memory.

KONDAKION - Tone 4

O our holy hierarch father John, /
Thou dost love all who turn to thee with faith, /
And remember all thy struggles and fruitful labors /
And thy painless and blessèd repose, ///
O faithful servant of the all-pure Theotokos, the Directress
of our lives.
