

Nov. 5            Holy Martyrs Galacteon and his wife Epistemis

TROPARION   -  Tone 4:

Thy holy martyrs Galacteon and Epistemis, O Lord,   /  
Through their sufferings received their incorruptible crown from  
    Thee our God,   /  
For having Thy strength they laid low their enemies   /  
And shattered the powerless boldness of demons.   ///  
Through their intercessions, O Christ God, save our souls.

KONDAKION   -  Tone 2

You are numered among the martys of Christ   /  
Because you fought the good fight in many battles;   /  
O Galacteon and thy faithful wife and companion-in-arms Epistemis,   ///  
Intercede before the One and Undivided God, for the sake of our souls.
