

Nov 1 Unmercenary Physicians and Wonderworkers Cosmas and Damian

TROPARION — Tone 8

Visit our infirmities, O holy unmercenaries and wonderworkers
Cosmas and Damian, ///
Freely you received and freely you give to us!

KONTAKION - Tone 2

O glorious and wonderworking physicians, /
Who have received the power of healing, /
Extend it upon those in need /
And in your kindness towards us, hold down the enemies' pride ///
And heal the world through your miracles.
